My dear Dandeker,

You will be glad to know that, after you left, the echoes of your meeting and your speech kept reverberating till the election. By all accounts, the meeting you addressed was emotionally much more decisive than the bigger one that Kripalani and Ranga had addressed earlier. The rapport you and I were able to establish with the audience impressed a lot of people and those who heard about it.

This is just to thank you for having taken the trouble to tour so intensively despite your ill health and also for the other assistance you were able to arrange.

Yours sincerely,

(M. R. MASANI)
