I have just seen a press note
saying you have issued a circular
asking all units of our party to
hold meetings of protest against
Capitulation to ~~China~~ ^{China} ~~Colonies~~
proposals.

Don't you think it a bit
premature & unnecessary?

I too have written, warning
against it & have sent you an
advance proof copy of it. The
article will reach Mr. P. S. J.
hands on Monday morning
as the ~~translation~~ ^{translation} is complete
it will ~~be~~ ~~be~~ be printed &
hoped to reach them ~~that~~ day.

But meetings I feel would
be premature noise based
on surmise.

Yours truly
C Rajmhalachar
