My dear Masani,

I hope you have received my wires send from Nidobrolu and also today from Delhi. I am disappointed to learn that you would not be here. Your presence would have been useful to me. I request you to let me have your views re: the proposal for a walk out, if need be by our Party alone.

Shri Dahyabhai Patel, who is here, is entirely in agreement with us.

Yours affectionately,

Shri M.R. Masani,

Bombay-I.

P.S

Sardar Kapur Singh has made the good suggestion that our Newsletter ^{S.P} ought to be sent to all our M.P.s to their Delhi addresses. So please advise Raju to do this. TC.
