*Mr. Jan. 1963
I think I had
better agree - 11th
and be safe coming
so that I may return
on 12th morning
19th Jany. 1963*

I wonder if you are going to come to Bombay in connection with the next G. O. C. meeting of the Swarantra Party on the 9th and 10th proximo. If so, I would like to deliver a lecture on "Government's Gold Policy" under your Presidentship. In my lecture I would give some facts and figures supporting the stand taken by our Party on this question.

Kindly let me know if it would be possible for you to spare some time in the evening on the 9th, 10th or 11th proximo for the purpose. On hearing from you necessary steps will be taken to make arrangements for holding the proposed meeting. You will be remembering that three years have elapsed since you kindly presided at a lecture by me in Madras in Gokhle Hall. I shall be grateful if you would kindly preside at a lecture by me on a matter of vital importance to the economy of our country.

with kind regards,

Shri C. Rajagopalachari,
Thyagarajanagar,
Baztullah Road,
MADRAS-17.

Yours respectfully,
Phiroze J. Shroff.
