Dear Shri Masani,

You may remember that I met you as the Placement Officer of Xavier Labour Relations Institute, Jamshedpur, when I visited Bombay some time back to seek employment opportunities for the students of that Institute. I have since joined A.I.M.O. as its Executive Secretary.

A news item in the Hindu says that there is a proposal to revive the Swatantra Party to carry on the ideals of revered Rajaji. Since you were very much devoted to Rajaji, I feel you may be knowing something on this matter. The purpose of this letter is to emphasise that such a step deserves full support. If only we can have a band of dedicated and competent people without any commitment to empty slogans and ideologies, but only the nation's interest at heart, I am sure the country can get out of the economic and political morass in which it has got bogged down.

I shall be grateful for your comments.

With kind regards,

Yours sincerely,

S. Sitaraman
