Dear Govind Singhji,

Your letter of 28th January has just reached me. I am interest in what you say about your move. While I will not be joining in the move, I shall certainly be happy to give whatever guidance I can to the young people to go on the right track. You are welcome, therefore, to send me what you wish and I shall try to let you have my comments.

I am asking my colleague Mr. Raju to send you under separate cover, copies of the Constitution and manifesto of the Swatantra Party.

Yours sincerely,

(M. R. MASANI)
