Dear Sri Masani ;

We come across a news item some days back that Sri Atala Bihari Bajpai was planning to approach intellectuals and eminent jurists of the country to persuade them to contest the ensuing election on Janata Party ticket. My self & some of my friends at Bhubaneswar thought it proper to suggest to Sri A.B.Bajpai that you should be approached to contest the election.

I am happy to inform you that he has appreciated our suggestion and has said that your contesting the election will be a matter of pride for the country and the party. The reply is in Hindi and I have enclosed the same with this letter. We will be happy if you kindly take a decision to contest.

Kindly excuse us , if for any reason you are annoyed with us for our suggestion .

~~With kind~~

With warm regards ,

Yours Sincerely

Harihar Patel
