October 5, 1979.

Dear Mr. Satyanarayan,

I have received your letter of October 1, 1979, and I am interested to know about your public activities.

I am afraid that there is something in your letter that I must correct and that is when you say you are going to stand for election on the Swatantra Party label in accordance with my advice. I am not aware that I have ever given you such advice nor would I do so since the Swatantra Party has been dissolved and nobody can stand as its candidate. In any event I retired from party politics as far back as the early seventies and I do not take much interest in politics now, so do please correct this impression under which you seem to be labouring.

I see no purpose at all in your coming to see me here as there is very little I can do or say in addition to what I have written, so please do not go to such a lot of waste of energy. *now*

With best wishes,

Yours sincerely,

(M.R. Masani)
