Dear & Respected Sir,

Namastejee

I am glad to represent the present position in respect of the ensuing Lok Sabha elections in the country all the political parties require our help and cooperation. Some time back you were the all India president of the Swatantra party in which you won the top reputation in those days. Here I worked as field organizer in the Anantapalli parliamentary constituency under your leadership about 3 years from 1965 to 1967 and the people are still faithful and respect the Swatantra party even now. All the connected information with me and I am very close touch with the people. I will explain in detail as and when required if necessary kindly intimate me place and time so that I can meet you in person.

P.T.O

In the meanwhile I am glad to inform you and
represent that I am going to contest from the
seoatāra party ticket - as per your valuable advice
from Anakapalli parliamentary constituency in
Andhra Pradesh in Visakhapatnam district

I am waiting for your kind reply
