Dear Miss,

Mr. Murthy, Guish and I
met last evening, to further
work out the details and lay
work for the S. Laxmi Hospital.
We would like to visit the
old Swatantra Party members,
& other admirers of Rajaji,
over a cup of tea ^{between 24th}
& 28th ^{they shall be broken into 2 groups.} ^{Mr. Murthy is very}
anxious that you should be present
on both the days; to give a pep
talk. He feels after you select the
date, the rest of us trustees will

adjust our selves. This meeting
puzzle over a cup of tea, you will
recall was agreed at the
last meeting, at which you
too had come.

Please do let me have your
date soon, as Martha is coming
again on a 'work' 'Reviews',
meeting - with me - on
July 14. 198.

Love &

Isa
