Shri M.R.Masani,
148, Mahatma Gandhi Road,
BOMBAY - 400 023.

My dear Masani,

Thanks for your letter dated 5th of
last month.

I have given Tamil rendering to your
interview to "Sunday" and the same appears
in this week's issue. (Plus give a 'Blitz' article)

What you have said about Shri.Charan is
correct. A friend from Delhi who knows some-
thing has also told me that he (Charan) felt
sorry that things were mismanaged leading to
your resignation.

Indira I am told is very happy over the
developments in Janata. Pro-Indira lobby all
over are gloating over and call her as
"future P.M.".

In life we have come across people who
are adamant but not to this level!

Antics of Rajnarain are not new. When
he was bodily thrown out of Rajya Sabha on a
number of occasions he would come to central
hall and deliver lectures which he wanted to

-2-

do in the house. How many times the same people who are now crying hoarse about 'indiscipline' were applauding him and encouraging him to repeat the performance. Now they have all of a sudden become 'Saints' and upholders of discipline.

My heart goes out to poor J.P. He brought out a revolution and now before his own eyes his ideas are thrown to winds!

I am sorry I may be boring you by writing all this.

Kindly keep me informed if anything to be done in my paper at this end.

With kind regards.

Yours sincerely,

(S.S.MARISWAMY)
