Dear Sri Masani garu,
Namaste.

As I am very busy with the election campaign and in view of the shortness of time at our disposal, I could not able to contact you in person however much I wish to do so for which I express my regrets. The issue is - as you are aware that most of the candidates barring one for two selected to contest the election on Janatha Party ticket in Srikakulam District are financially very weak and cannot stand on their legs without external help. Neither the central party nor the state unit are in a position to provide necessary help to the District Party in this regard. If liberal help is forth-coming, there are very good chances of securing about 14 or 15 seats out of 18 in Srikakulam District. I, therefore, request your generous help which may kindly be sent if possible through Telegraphic Transfer or atleast by a Draft on Andhra Bank or State Bank of India, Sompeta in favour of Smt. Gouthu Yesoda Devi. It will be accounted on behalf the Srikakulam District Janatha Party.

Expecting your full cooperation.

With best wishes,

Yours sincerely,

G. Latchanna

Shri M.R. Masani.
