Dear Sir,

With reference to the above-quoted number, we have to state that you were already informed in 1974, that our concern ROLLINS ELECTRICAL WORKS is totally closed, and we were surprised to see the post card under reply. It is hoped that you will make enquiries about our letter and treat the matter as closed.

2. As already mentioned above that no business is being done by the Rollins Electrical Works, hence no question of furnishing you with Balance Sheets and etc., arises at all-

3. However, It will not be out of place to mention here, that since all the Emergencies internal as well as External have been lifted, then why this age-old 1971's Emergency is still on existence?

Please expedite reply and oblige.

Thanking you,

Yours faithfully,

Gobind Ram
