Dear Minoo Uncle,

I thought I'd just write a short note to wish you all the very best in the forthcoming election. I still remember the excitement of your last election and wish I could be there this time too. I must still be registered there and it would be nice to come & cast my vote in your favour! (Not that I think you'll need it!!)

My love to aunty Shakuntala who must be there with you.

Once again all the best,

Yours sincerely,

Persis
