Dear Shahajanand

Mr Masani has received both your letters of 25th March and 28th April. Regarding your participation in JP's movement and your complaint that you are unable to see him because of obstruction by his Secretaries, I think the best course would be for ~~me~~ to raise this issue with JP as and when I meet him because one is not sure of reaching him through letters as he is constantly on the move.

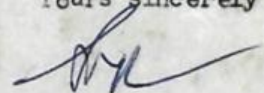

Mr. Masani

About the boys you are talking about, will you kindly let us have details about them so that Mr Masani can look into the matter and see if he can be of help? Why don't you ask the boys to give you their biographical particulars in English so that Mr Masani can have a look at them?

With kind regards

Yours sincerely
