Ref: 70 and 72

April 23, 1975.

My dear P.K. Deo,

I have your letter of April 21. As desired by you, I am trying to get the share certificates in question from Mr. V.P. Bhatia who is in charge of the B.L.D. office here. As soon as I get the share certificates I shall get the transfer form and transfer the shares to the name of the Rajaji Memorial Committee or, if you prefer, I shall sell the shares and send you the proceeds. However, the first thing to do is to get the shares from Mr. Bhatia and I shall be glad if you will kindly take this matter up with him.

Yours sincerely,

(M.R. Masani)
