Respected Masani Sahab,

I am in receipt of your letter dated 8/3/75 and much satisfied to receive your hand.

Do you remember that just after 1967 Parliamentary Election, I had a meeting with you at Delhi. When I raised a question to you, are you going to be Prime Minister of this country, if Mr. Morarji Deesai quits Congress. You immediately replied that I can be Deputy Prime Minister. Again I asked you why. Your reply was that I don't wear sholi.

I think Mahatma Gandhi was successful because he made himself what Indian masses want. So Jai Prakash Narain is doing and certainly he is going to be successful. But with the movement of Jai Jai Prakash Narain, new trends are clearly coming out in the Indian Politics. That Socialist view parties must join together and conservative

Parties joining together.

You are one of the fathers of the Conservative views in India. You are much more needed in the country at present.

Because after the victory of Sri Gai Prakash Narain's movement and Janata candidates victory. The country should again face the splitting of Parliamentary groups into Conservative and Socialist groups. Then you have to lead again Conservative group.

I have seen myself named as an appeal for S.P. movement in Bombay on 21 Jan 1975 and on 6 March 1975 at Delhi.

one thing I can guess that J.P. can bring change in the country like Mahatma Gandhi. But someone is needed like ~~Mahatma Gandhi~~ Jai Gokuldas Lal to take the command of Government, which I put in you. Because you have got the qualities of organising Party and also great knowledge about Parliamentary affairs. Nations fate will be safe in your hands.

I am your old admirer, you will excuse me, if I have gone out of way. I am also sorry, when I visited Bombay on 21/1/75 in connection with meeting of Nation and Executive, I could not meet you, because I have to come back here

due to important  
case here in the Court,  
my respect to Mrs Masani

Thanks -

Yours

R. S. Bhambhani
