My dear Pandeyji,

I am delighted to learn from your letter of February 6 that you are already functioning as a member of Jan Sangharsh Samiti and/the Chairman of J.P. Reception/as Committee, Gorakhpur. In view of this I wonder whether you should bother about reviving the Swatantra Party in the U.P.? But, of course, you are welcome to do so if you feel it is worthwhile. Personally I devote any spare energies I have in helping Jayaprakash.

I am writing a small book about J.P.'s movement which should be published by Macmillans in April or May. Do please get a copy when it is available. I am sure you will enjoy reading it.

Yours sincerely,

M.R. Masani
