My dear V.T.,

Just a line to say that I plan to be in Bangalore on Saturday, February 22 and Sunday, February 23, in connection with the Training Course for Voltas' Managers. I shall be staying at the Ashoka Hotel. Do let's meet and have a chat one of these days.

Yours sincerely,

Mr. M.R. Masani.

The following is a matter that I would like you to tackle when you are in Bangalore:-

You will recall my telling you about the unfair attitude adopted by the Bangalore Education Trust which had been created to help the Swatantra Party/which now /and is funnelling funds to the Mysore BLD, over-ruling these two Trustees - Mr. ~~V.T.~~ Sreenivasan and Mr. B.V. Narayana Reddy.

Mr. N.K. Ganapiah has been unable to secure the support of Mr. K.H. Sreenivasan (the Coffee Planter) and Mr. G.M. Manjunathayya. Even if they have no desire to help the Swatantra Party you should certainly persuade Mr. Sreenivasan not to lend his support to helping the BLD. The purpose of the Trust will thus be defeated.

Perhaps you might like to speak to Mr. ^{V.T.} Sreenivasan initially.

S.V. Raju.
