Venerable Masani Sah.

Months back, I sent a letter to you but to my hard ~~luck~~ luck you were abroad, as informed by Mr. Raju. My note was in connection with the dissolution of Swatantra Party. I have been receiving numerous letters from our political associates of Matunga, Moradabad & Buland Sahar etc. since then.

But in my opinion your comment at Delhi convention that "National alternative is J.P. and not the B.L.D." is complete, because the days of political parties in India, are over. Will it, therefore, be proper to labour hard in ~~reviving~~ reviving Swatantra Party, particularly in U.P.? When your disciple, (i.e. myself) is already doing hard as a leading member of Jan Sangharsh Samiti and the Chairman of 'J.P. Reception Committee, Gorakhpur'. What next would you like me to do ? Please advise.

Hope this will find you in best of your health and happiness.

With kind regards,

Yours ,

B. D. Pandey
