Mr.M.R.Masani,
148 Mahatma Gandhi Road,
Bombay-1.

Dear Sir,

Many thanks for your kind letter of 14th instant and for all the troubles you have taken to keep Sri Jayaprakash Narain fully informed about the work we are doing in Tamilnadu.

I hope few of us will have the opportunity to meet him at Bombay and acquaint him with what we have done and find out from him what he wants us to do for strengthening the movement in Tamilnadu and support the movement in Bihar.

No While I definitely understand the reason for your decision not to participate in the National Executive meeting, I feel that we of the Swatantra Party have got a right to receive your mature advice on all important problems which the party has to face. After the passing away of Rev.Rajaji you are the only person whom we can approach for correct advice on complex and complicated problems we have to face. Even if you cannot participate in this meeting may I request you to allow some of us to meet you for getting your advice? May I also request you to join the President and Secretary and address a Press Conference either at Bharatiya Vidya Bhavan or any other convenient place?

Thanking you and with my highest regards,

Yours truly,

V.S. Srikumar
(V.S.Srikumar)
Joint Secretary.
