Dear Shri Masani,

The delegation of the Naga Integration Central Council consisting of 15 members has come to New Delhi to press the long standing demand of Naga people for integration of the contiguous Naga inhabited areas with Nagaland State. In order that the Naga leaders may apprise you of their problem, I would request you to kindly convene a meeting of the Executive Committee of your Party in Parliament sometime this week. The time, date and place of the meeting may please be communicated to me at the address given above.

With kind regards,

Yours sincerely,

M. Savino
