MINISTER OF COMMERCE,
NEW DELHI-11

February 6, 1968.

My dear Minco,

I have received your letter of 3rd February, 1968. We have tried to constitute the Board of Trade and the Advisory Council on Trade on functional basis. Trade and in fact, general industry and commerce interests, are well represented. I would have no objection to have the Members of Parliament from other groups also. My difficulty was that there are a number of groups and it would not have been possible to accommodate all of them. If the opposition groups could decide in favour of - say two members - I shall certainly include them in the Advisory Council on Trade.

Kind regards,

Yours sincerely,

Dinesh Singh
