The Speaker,
Lok Sabha.

Dear Sir,

This morning after I and other Opposition Members had left the House, the Hon'ble Prime Minister thought it fit to make a statement in the course of which she misquoted me very badly and has done me considerable injustice. This makes it necessary for me to request you to permit me to make a personal explanation in the House to-morrow under Rule 357 in order to place the correct facts before the House. *2377*

A copy of the statement I propose to make is enclosed for your perusal.

I shall be obliged if you kindly have this matter placed on the agenda for to-morrow, Wednesday, March 29, 1967.

Yours truly,

(M.R. Masani)
