My dear Raju,

In view of the most interesting developments of last few weeks, I was expecting to hear from you. I shall keenly await comments on the future developments as seen by Minoo, Dandekar and you.

In the meantime, can you send me at least a dozen copies of "Without Fear or Favour" by post parcel (Sea Mail of course)? How many copies are still left? Do you think you should come out with a second edition or a paper-back edition? Don't you think this is the most opportune time to do so?

With regards from Zarine and me to Mrs. Raju and you,

Yours sincerely,

Rucoy
