Dear Minoo,

Since you were once so intimately involved with the premises on the 1st Floor, of 143, Mahatma Gandhi Road, I thought I would bring to your notice, a sad event which took place on its floor. That is if you are ^{not} already acquainted with it.

Attached to this letter is a copy of a Police Complaint I had to lodge at Palton Road, Police Station, on September 17, 1984.

The complaint is self explanatory.

Yours Sincerely,

S. Panday
