Dear Mr. Patel,

Thank you for your letter of 5th January in reply to my greetings on your election victory. You have however not answered my request to you to give old comrades of the Swatantra Party the pleasure of an evening with you.

I understand you are coming on the 26th to Bombay; however, I will be in Calcutta that day. If you are coming again in the first or second week of March and can give me a date and time between 5.30 and 6 p.m. I would be most grateful. The meeting over tea will be at the Party office.

With kind regards,

Yours sincerely,

(S. V. Raju)
