Mr. S.V. Raju,
148, Mahatma Gandhi Road,
Bombay - 1.

Dear Mr. Raju,

Your letter of 18th instant is just to hand and I thank you very much for the same, especially for having anticipated my desire and having persuaded Mr. M.R. Masani to address a hall meeting at Madras on 12-12-'74. Evidently both of us have been thinking on the same line. My letter of yesterday would have told you in detail about our programme. Evidently my letter has crossed yours.

I am glad to know that your telephone has been reconnected.

I enclose herewith an invitation that has been issued for a representatives meeting of several associations and political parties to form a committee to carry on propaganda in support of the high ideals of the Bihar movement and prepare the ground for a similar movement in Tamilnadu if it becomes absolutely necessary. The D.M.K.s' attitude to Mr. Jayaprakash Narain is much more favourable than that of Congress 'R' even with that of Congress 'O' in Tamilnadu. I have invited the D.M.K. also to this meeting.

You may please show the invitation to Mr. M.R. Masani. I will also write to him a separate letter.

I have not succeeded in getting a suitable job for my third son Chi. V.S. Vijayaraghavan, B.E. (Electronics). He is now working in Binnys' as a stipendiary. In response to an advertisement from NELCO for Engineering Graduate Trainees, he has sent in his application recently. If you can do something on your own please do the needful. Otherwise, please request Mr. Masani // on my behalf to speak to the Director on the telephone and try to get him selected. You may also speak to Mr. M.R. Pai on this subject to whom also I shall write on this matter.

Thanking you, with my kind regards,

Yours truly,
