Dear Mr. Rajin,

Thank you very much for yours
dated 15th Sept. and the reprint. It brought back
if there appears to be a good deal of useful
material in it.

To write the sort of book I have in
view, I do not need detailed personal
correspondence. It would not be fair to
bring personalities in as far as one can
help. My main aim is to try and
bring out the causes of failure of
the party.

I delayed replying to your letter
because I could not contact Arya. He has
assured me that he has neither joined
nor intends to join C.L.D.

Jatesh has been a rat all along.
He is completely disloyal and interested
only in money. We do not know where
he stands. He has his legs in both boats.

We have, however, supplied a list
of all the cranks & crooks, who had been
riding on our backs all along, ~~members~~
to Mr. Pillay Noddy as very desirable

workers for the New Party. The list includes
the near mental Satish; half-int-Prisaries;
treacherous Jalar and ~~made~~ money-grubbers
like Madan Lal. Our private information
is that all those names have been included
in the proposed ad-hoc Committee for Delhi.
We shall watch the fun as it unfolds.

The great Pillor, we learn, has been
given the honorific title of General
Secretary, but- he would be excluded
from effective control by Bijin -

Meanwhile, a socialist crowd headed
by Lok Natta Joshi is trying to place
Pillor in the office in their hands.
If Joshi succeeds in his machinations,
we know what will happen we have
known him for several years. His only
interest is money and he is an expert
at squeezing that out for himself.

In short, B.D. is making its
denouement in very auspicious
circumstances.

With kind regards, Yours Sincerely

M. S. Raja,
148, Mahatma Gandhi Road,
Bombay - 23.
