Mr. Piloo Mody, M.P.,
C/o Swatantra Party Central Office,
Mahatma Gandhi Road,
BOMBAY-1.

Dear Mr. Mody,

Scholars all over the country have been watching the developments in the Swatantra Party with considerable interest. The Swatantra Party has had a development which no one interested in Indian Politics can afford to ignore. More recently, some decisions have been taken in your party with far reaching implications. Since the national headquarters of the Party will not be in existence - so I assume - I am writing this to make a special request. The Department of Civics and Politics, will be most happy if the documents relating to the Party are presented to us for research purposes. Needless to say, this will be the best way of preserving the documents of the Party for future scholars.

Looking forward to hearing from you,

Yours sincerely,

(A.J. Dastur)
