(1432) My dear Raju,

Many thanks for your reply of 11 th Sept. There are quite a few members here who don't propose to let Ganapaiah and his gang walk away with the assets of the State Park. They are prepared to go to Court and get the necessary injunction. The Treasurer of the State Park and two Joint Secretaries are among them.

Please, therefore, send a copy of the plaint so that, with its help, they may proceed to take necessary further action. Ganapaiah and his gang should be treated as defectors and expelled from the park.

With best wishes,

Yours sincerely,
N. Sreenivasan
