My dear Rajn.

Dr. Pasricha told me that you have enquired about my joining the BLD. You should have written to me in this matter. You people sitting in Bombay have no idea how the other people face the troubles. You must know I had made it quite clear ~~that~~ at N.E. meeting that I won't join the BLD.

Mr. Jagan had written to Mr. Masani regarding the future programme and financial assistance. I think he did not get any reply from you or Mr. Masani. He started contacting Mr. Purody and oneday he informed that he would join the BLD along with other members. Mr. Purody contacted most of the members personally.

The campaign against me was also started. The Delhi members were told that Mr. Masani paid to me Rs. 20,000/- for the Convention, and he is regularly paying Rs. 2,500/- to me. It was very difficult for me to tolerate all these things. Dr. Pasricha was not interested in keeping the Party. You can understand my position.

You must know that I paid the bills of
the Convention from Swatantra Jyoti.
There is no money with me even to
pay my telephone bill (586293). My
telephone was disconnected a fortnight
ago due to no payment of bill. The deficit
was Rs. 5700/-. I have ^{paid} Rs. 4700/-
from S.J. Rs. 1000/- still to pay to Mr.
R.C. Sharma. Please don't think
that I am asking for any assistance
from you. I am the victim of politicians.

I have established my office at 1E/14, Ghadwala
Ext. New Delhi 55. I have joined the J.P.'s
movement and I am the member of the
Sangarash Samiti in Delhi. The movement
could be started from 2nd October 1974.
Please don't think that I am a
purchasable commodity. I will strengthen
Swatantra Forum Liberal Group, Bank
Depositors Association and Indian Youth
Association.

With kind regards,

Yours Sincerely -
Hary G.
