Dear Mr. Raju,

I read of Mr. Masani's opposition to the merger of Swatantra Party in Bhartiya Lok Dal. Now that the majority decision has been implemented and the merger announced what exactly do you propose to do? A number of old workers have approached me during the last few days but in the absence of any definite idea I have not been able to advise them.

Hope to hear from you soon.

With kind regards,

Yours sincerely,

I. S. Bhargava
