Dear Sri Raju,

I heard through Mr. V. S. Srikumar that you have joined Mr. Masani as planned.

You might have seen the performance of our Party in U.P. and Orissa elections. I am not able to get the polling figures Constituency wise. Though the general expectation in U.P. was five to ten seats, the Result was a heavy Blow. But the Orissa result was quite unexpected. It has gone down to an all time low figure. Kindly enlighten me in this regard.

Secondly, I want to make a very strange request to you. This is with regard to my son's future. He appeared for the test for a Clerical post of Bank of India at Madras on 3-3-74. He says that he has

done well. A friend of mine told me that the papers are valued in Bombay office and interview cards will be sent from there direct. He suggested that a "push" in Bombay is very much valuable. On my son gets the interview card, my friend here, assures me of the appointment. So I request you to take special interest in this affair and do your best and help me and my son.

He is completing the B.A., this year i.e. next month. His subject Economics & Maths and Statistics are his ancillaries. His name R. RATAGOPALAN. Application+Test Number SR 76635 written Test on 3-3-74 at Law College Madras..

If you show that you are interested in this Boy, naturally the Bank will consider it Sympathetically. I have not ventured to elaborate my general condition because you know it very well. This help will be a beginning for the bright future of my son and give me opportunity to serve through "Chanakya" without starvation.

I also thought of writing to Mr. Masani also. But I thought it will be enough if I write this to you and if that is needed you can yourself put in a word to him about this.

I pray to be excused for this unnecessary trouble.

With kindest regards,

Thanking you,

Yours faithfully
