Dear Shri Mody,

It was indeed a pleasure for me to get acquainted with you and I hope this acquaintance will pave the way for closer contact and cooperation in the interests of the cause which we are wedded to.

I may inform you that I had an informal talk with Shri A.D.Shroff, after I met you, and all the vital aspects of matters of common concern were discussed by us. Mr.Shroff fully appreciated my point of view and told me that he would have consultations with you and other gentleman in an endeavour to devise suitable means for ensuring regular contact and continued cooperation between my paper and the party.

I do not know whether the meeting of the gentleman concerned has been held since then. But I do hope that in view of the supreme need for taking immediate steps to consolidate the position of the party, the gentleman concerned would arrive at some conclusion in the near future, and I am sure that you will make a significant contribution to the successful implementation of the programme.

With best regards,

Yours sincerely,

(H.N.Mota)
