Dear Mr. Mariswamy,

Thanks for your letter of the 16th October. It is very nice of you to have expressed yourself as you have done about my Speech.

I have a number of things on hand at the moment, and regret I am unable to comply with your request for a contribution to the Souvenir you are bringing out on the occasion of the Madras District Party Convention. I would otherwise have been happy to fall in with your wishes.

With regards,

Yours sincerely,

Mr. S.S. Mariswamy.
