My dear Nadi

It was so kind of you to write and
give a cheerful account of the
collection work. I had intended to
write to our Shroff about the need
for active assistance but as I
have just read your letter I feel
it is unnecessary. I cannot
tell you how greatly I feel
heartened by your continued
support. Tyranny cannot
be brought to an end unless the
victims shed fear. Our 'friends'
are going to get more and
more autocratic and
dictatorial seeing that we

are gathering strength, I
hope you and Mr Shroff
will slowly inject courage
in the quarters that need
that treatment.

Kind regards

Yours sincerely

C Krishnaswami

It was good, reading the
report of Sri Prakasa's
observations.
