My dear Raja Saheb,

Many thanks for the cuttings you have sent me in connection with the Press Conference you held on the 26th September. You have hit out in a refreshing sort of way and I find myself in agreement with much of what you have said.

There is one point, however, which you have made which needs clarification. You have talked of the possibility of collaboration with the P.S.P., amongst other parties. I do not think there is any common ground between us and the exponents of that Party's ideologies. We stand for the maximum individual freedom that is possible, consistent with the attainment of social justice. The economic policies of the P.S.P. seem to me accordingly to rule out any working arrangement with them. So far as I am concerned, I would not care to have any alliances whatsoever which would prejudice the stand we have taken on political, social and economic questions.

With kind regards,

Raja Bahadur Kamakhya Narain Singh.
