Dear Sri. Kalayan Singh,

I saw your letter dated 27.9.1959 to Sri. S.Y. Krishnaswamy and noted the contents with pleasure. On your good assurance you will get help every month as you desire. Kindly see that it is all spent on good and useful purposes. Our aim should be regional self-sufficiency. Outside resources always leads to apathy among local friends which is not good either financially or politically. I hope you will make the party in Rajasthan a poor man's party. There are poor men in all classes.

Yours sincerely,

C. RAJAGOPALACHARI.

Sri. Kalayan Singh,
Raja of Bhinsai,
