to be there till 2 P.M on the

you and talk about the progress
of our party. So please
inform our party Office in Bombay

The Delhi Committee
is taking some effective steps.
Calcutta is coming along rather
slowly. Both have some new
ideas of their establishment,

closely associated with
we and who ~~has~~ ^{introduces} you by Sri

to you a copy of his
application for employment
in the Talas and you were
good enough to direct
that to the Talas. I will

sympathetic consider-
tion.
