25th September, 1959

My dear Munshi,

I am writing to acknowledge your letter of the 21st September and to say that, at the instance of Krishnaswamy, a cheque for Rs.2,500/- was forwarded to Shri Raghavendra Pratap Singh, Treasurer of the Swatantra Party at Lucknow, on the 22nd September. I hope the organizers in the various regions are doing something themselves to collect funds sufficient to pay the greater part of their monthly expenses. The Party chest in Bombay has been raided so much that the bottom almost can be seen!

If you are writing to Krishnaswamy about your activities in connection with the Party, I suggest a copy of all such letters be sent to the Bombay office.

With kindest regards,

Shri K. M. Munshi.
