My dear Jehangir,

It is I who owe an apology and not you. I should have written and thanked you earlier for your birthday greetings and the very acceptable present which accompanied them. Your kind thought was much appreciated.

I am glad that a Sub-Committee has been appointed in Lucknow for organising a branch of the Swatantra Party. You can certainly become a member but I would not advise your taking an active part in the affairs of the Party, as it might spoil your relations with those with whom you have to deal. Please keep me informed of how the movement is getting on.

With warmest regards,

Mr. J. F. Jehangir,
