My dear Sir Modi,

On 17 June 59 I sent a crossed cheque to our Party Head Quarters at Bangalore. I again sent a reminder on 30 June 59 but so far I have not received its acknowledgment.

Kindly send its receipt.

The Party at Indore has been put on a wrong basis. I am sorry, that, due to wrong information from persons, who can do little, the head quarters is not taking decisions.

I am unable to do anything to stop further deterioration.

Let us see what happens .

With deepest personal regards.

Sincerely

N.C. Zamindar
