My dear Sir Modi

Many thanks for your

Kind favour of the 12th inst. I am glad to learn that the headquarters are likely to be shifted to Bombay.

I again wish to stress the point of Hindi paper. Rajaji is right so far as English papers go but in Hindi the position is different. There is not a single good views-paper. If we can fill up the gap it will a service to Hindi.

It need not be the venture of the Party. Let it be an independent limited concern. It will be of immense in other fields also.

I am sorry to again put my request but the urgency of the need presses me to do so.

I hope you will excuse me for this repetition.

With best regards
To Sir H. P. Modi BOMBAY.

Sincerely
N. C. Hamindar
