My dear Krishnaswamy,

Herewith two letters from Mr. Zamindar. The matter was discussed amongst us at our meeting on Saturday, but I am not sure any decision was taken. Personally it seems to me that in our anxiety to get started everywhere, we should not get into wrong hands and any such complaint as stated in Zamindar's letters needs to be carefully investigated.

(T.G.K.)

I have handed over to Mr. Krishnamurthy the packet I spoke to you about, addressed to Rajaji, and also a sum of Rs.100/-.

With kind regards,

Mr. S. Y. Krishnaswamy, I.C.S.(Retd.)
