Dear Sir Homi,

Almighty God always
send a powerful man against "Satan".
when Aurangzeb was in
power Sivajee came to rescue the
country.

when Britishers were in
power Gandhi came to rescue the
country.

when Congress were in
power Sir Modi came to rescue the
country.

The convention of the
Swatantra party was successful and
we are grateful to Rajaji - Banga
and Masani.

Your Honour has accepted
Treasurership and we are certain
it will be filled up like ocean
water.

Since you have increased
working capital of the central Bank
of India as chairman over 150
crores, your honour will make
about 2 crores for Swatantra
party in a few years.

when I look Nehru
having taken up 144 months
salary and not reducing it.

how could I judge him as a National leader? He enjoyed a monarchy life what Sullan of Turkey and King of Egypt did it in modern world. What amount of his tour expenses he spent in foreign countries when he visited as well as in our country at a cost of nation's money.

Pomp for himself and socialist pattern for country people. A man with no religion

is call a Savage man in this world.

To select a Savage man as a prime minister is a crime by the country people.

The congress party got their 5 years interval election have built up about 40 lacs each in 12 provincial governments.

They removed 575 princes of India and established 575 Pradesh Congress president in each town of India.

Their position is greater than of local police officers.
