Dear Sir Somi,

Kerala affairs has
brought democracy in our country.

Now India has learn
how to oppose a party, by votes
sicketing, satyagrah, law, rights
given in our constitution and open
demonstration.

After discharging at a
stroke of pen to several Indian
rulers by late Sardar Patel, the
present ruling party having obtain
votes from illiterate backward class
of people, obtain power of administration
which now they desire it as hereditary
for this group people.

When birth of Swatantra
party took place, they became alarm

from New Delhi to Bombay and
Ahmadabad to put Congress workers
for ready. They also ask question

The downfall of the Congress party has already commenced, specially on corruption, pomp and wastage.

Nehru is most anxious that India under his Prime Ministership became great industrial zone but poverty and people would remember him for century. He did not know how 46 lac members of Congress all and therefore his fall is bound to come.

Fame people can only wait for 13 years. Roosevelt, Stalin, Mussolini were in power for 13 years in their country.

I make no mortgage deal Indian call money at 2% while in America it is $4\frac{3}{4}\%$.

In spite of that people do not touch Govt securities.

I am glad the present dividend of Central Bank has been done taxable. It is a good lesson to Govt to eat from all side, which you have avoided it.

Yours Sincerely,
