Dear Mr. Tyagi,

I write to thank you for your letter of the 14th July. I am glad to find that the Swatantra Party is receiving wide-spread support, and I welcome your assurance that you will do what you can to interest people in your part of the country in the movement.

If your engagements permit you to pay a visit to Bombay at the time of the Convention, you might get in touch with the Secretary of the Organising Committee of the Party who is in charge of the arrangements for the Convention (c/o Raja Hutheesing, Great Social Building, Sir P. Mehta Road, Bombay 1).

Yours truly,

Mr. Y. D. Tyagi.
