My dear Sir Homy,

I am glad you have taken over the
Treasurership of the Swatantra Party, now the Party
will have no problem as far as its finances are
concerned. We could not come in March as we had
intended to, but I am keen to attend the meeting of the
Swatantra Party on 1st August and will be reaching
Bombay a couple of days or so ahead, can you and Lady
Mody conveniently put us up. "e have other 'rooms' to go
to, but prefer staying with you as this will have so
many advantages for us in many ways.

With kindest regards from us both for
you and Lady Mody,

Yours sincerely
N. K. Sinha
