ALLAHABAD.

My dear Sir,

I write to thank you and Mr. Dwivedi and Mr. Nair for your letter of the 10th July. I am glad to learn you are in full agreement with the objectives of the Swatantra Party and are proposing to set up a study forum amongst the students of Allahabad. It is only when our young men and women make an earnest effort to understand the problems of the country and to arrive at an independent judgment on their solution, that the democratic functioning of our political institutions will take firm root. I wish your efforts all success.

Yours truly,
